

Norfolk County Council

Norwich
Opportunity Area

Is your child starting a **Norwich** nursery, primary school or junior school in September?

If so, take a look at the virtual tour and welcome video for their new setting!

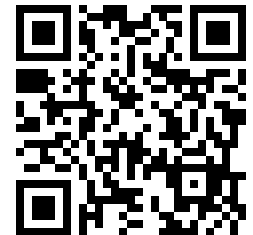

Scan the QR code with your smartphone or tablet and follow the link to the Norwich Opportunity Area website.

Here you will find virtual tours of:

- Reception classes for all primary and infant schools
- Year 3 classes for all junior schools
- Tours of many nurseries in Norwich too

Opportunity Area

Virtual tours are a great way to introduce your child to their new space and help them know what to expect on their first day.

Why not sit down together and use the simple navigation tools to explore their new classroom and meet some of the staff they will see in September.

If you have 2 minutes, please tell us what you think of our virtual tours and videos by completing a short questionnaire.
